By agreement with Flat, Verizon supplements its response to Interrogatory No. 5 filed on August 26, 2016 to provide pricing information for unlimited data plans that are no longer being offered by Verizon but are still active on the Verizon network. The lowest priced rate plan that includes unlimited data is a single line plan at \$34.99 with 300 minutes of talk time, but no included text messages. The unlimited data add-on costs \$49.99 per month bringing the total plan price to \$84.98 per month. Verizon stopped offering unlimited data for sale in July 2011.
